# INLEIDING

*Konnichiwa!*

Welkom bij de *Pocket Woordzoeker Japans*. Dit keer in een mooi reisformaat, zodat je onderweg, bij het zwembad of gewoon thuis op de bank een nieuwe taal kunt leren. Maak kennis met de Japanse taal in maar liefst honderd woordzoekers. Door de speelse manier van leren blijft de stof makkelijker hangen. Of je nu voor het eerst kennismaakt met het Japans, je woordenschat wilt uitbreiden of op zoek bent naar een leuke puzzel, dit boek belooft urenlang plezier en uitdaging voor iedereen!

Hoe begin je? Start op de eerste pagina of zoek een woordzoeker uit die je aanspreekt en speur naar woorden in alle richtingen: horizontaal, verticaal en zelfs diagonaal. Je hoeft alleen maar te zoeken naar de Japanse woorden die in hoofdletters staan. Zodra je alle woordzoekers gemaakt hebt, zul je versteld staan van wat je allemaal kunt bereiken met meer dan duizend nieuwe woorden in je vocabulaire.
